Jim Andersen was in attendance to discuss some personnel changes at the Recycling Center as well as some of the issues he sees as a concern at the Recycling Center. The Recycling Center is down another 2 employees. This puts a load on the remaining employees- especially on weekends. The Selectmen discussed a possible change in the Recycling Center's hours and will discuss this further on a later date. Mr. Andersen stated that the Recycling Center has outgrown its current location and a potential new site should be considered for the future. The Selectmen agree that as the Town grows, the Recycling Center has gotten busier-especially when the summer residents arrive. The Selectmen also discussed getting the employees reflective vests in order that the employees stand out. Mr. Andersen also discussed repairs being done on the loader at the Recycling Center and the possible replacement. Compactor 1 is beginning to show signs of repair work needed. The Selectmen asked Jim to contact several welders and get prices on repair. The Selectmen thanked Mr. Anderson for coming in and appreciate the efforts the employees are making in the midst of being shorthanded.

Strafford Regional Planning Commission has contacted the Town to request a time for digitalizing records. The Selectmen approved a July or August time slot.

The Selectmen feel that clean-up efforts have been made on a property and the only issue that needs to be looked into is how many unregistered vehicles are on the property. The Selectmen asked that a letter be drafted and sent to the owner requesting the registration status of all the vehicles on the property.

The Selectmen further discussed budget numbers and decided to meet together February 1, 2022 for another Work Session. They will also be meeting with Fire Chief Whitehouse that evening to further discuss the Fire Department's budget. Chief Whitehouse was not able to fully speak with the Selectmen at his precious appointment because of an emergency call.

With no further business to address, it was moved and seconded to adjourn the meeting. The meeting adjourned at 6:58PM.
