

Minutes of the Selectmen's Meeting February 12, 2019

Members Present: Lynn Sweet, Chairman, Bryant Scott and Scott Young
In attendance:

The Selectmen's Meeting was called to order at 5:26PM.

The Selectmen reviewed and approved payment of payroll and bills. Board members read and approved minutes from January 22nd and 29th Selectmen's Meetings. Pole licenses were signed.

The Board members reviewed and signed the 2019 Town Budget and Town Warrant.

The electrical work for the new building housing electrical equipment at the Recycling Center was discussed. The electrician with whom the Town contracted has not completed the project.

Lighting at the Town Hall was discussed. An electrician will be making some recommendations for improving the outdoor lighting situation.

Correspondence from Gerry Waldron, who had put forth a petition article for the 2019 Town Warrant, was read. At the time of submission he was unaware of the scope of the project he put forth. He will not be able to be at the Town Meeting to withdraw the petition, but wanted to make the Board members aware of his intention.

On the 26th of March at 6:00PM there will be a public hearing for renaming a portion of Whig Hill Road. The portion of road in question is not accessible from the other portion of Whig Hill Road; concern has been raised about that causing a delay in the arrival of emergency services. The matter will be reviewed at the public hearing.

There being no further business to bring before the Board, it was moved by Mr. Scott and seconded by Ms. Sweet to adjourn the meeting. By unanimous vote, the meeting adjourned at 6:30PM.
