

## Minutes of the Selectmen's Work Session February 18, 2020

Members present: Lynn Sweet, Chairman, and Scott Young  
In attendance: Building Inspector David Copeland

The Selectmen's work session was called to order at 5:35PM.

David Copeland briefly attended the work session to discuss a few matters with the Board members. He was wondering if another multi-board meeting was planned. He thought the last one was very informative and helpful. The Selectmen were in agreement and will try to organize one as soon as possible. At that meeting, the Master Plan was discussed and Mr. Copeland found that to be helpful. There was some discussion about updating it and perhaps a Master Plan for cell tower construction as there is an application currently before the Planning Board for the construction of a cell tower in Town. Mr. Copeland has also observed some confusion about the necessity of a building permit by applicants following an approval by the Zoning Board of Appeals.

The Selectmen read and approved the minutes from the February 12<sup>th</sup> Budget Hearing.

The Budget and Warrant will be ready for Selectmen signature later in the week. The DRA made some changes this year to the construction of the Warrant Articles and it is still undergoing review.

Correspondence commending the kindness of one of Messenger, Inc employees was received and shared. The Selectmen's Office will make sure that Greg Messenger and Terri Bickford get a copy.

There being no further business to address, a motion was made and seconded to adjourn. The meeting was adjourned at 6:05PM.
