The Selectmen's Meeting was called to order at 6:00PM.

The Recycling Center and the Town Offices will be closed on Wednesday, July 4th. On Tuesday, July 3rd, Town Offices will be open from 10AM to 4PM. This information will be posted on the Town website.

John Page attended the Selectmen's Meeting to report on the progress he is making in the cleanup of his property on Second Crown Point Road. His activity in the last 2 weeks has been directed in making sure that all fluids are being managed properly. Admittedly progress has been a little slower in the last week, but he believes there is visible progress. He anticipates taking a break when the weather gets hot. He is schedule to meet again with the Board on June 19th.

The beach at Bow Lake will officially open on June 17th. The Selectmen discussed the selection of summer lifeguards and the position of beach manager. There are more than enough qualified candidates to fill the lifeguarding positions. It was suggested that perhaps the beach manager might like to assemble her team from the possible candidates. Portable toilets will be delivered on Thursday May 24th. They will be available for the Memorial Day parade, but will be locked thereafter until the beach officially opens on the 17th. A security camera was suggested to address concerns of vandalism which has been the experience in the past several years.

The Province Road gate at the dam is to remain locked and used for emergencies only during the summer months. Signage will be installed to remind beach goers that the entrance to the beach is off Water Street. Signage to restrict boat trailers parking along the fence on Province Road will be put up as well.

Tax bills will be sent out the week of May 28th and due July 3rd.

Board members reviewed the status of property tax liens for 2016 and earlier.

There being no further business, it was moved, seconded, and voted in the affirmative to adjourn the meeting. The meeting adjourned at 6:55PM.
