Selectmen in attendance: Lynn Sweet, Chairman, Bryant Scott and Scott Young

In attendance: Tom Dupere

The Selectmen's Meeting commenced at 5:41PM.

Bills and payroll were reviewed and payment approved. Correspondence was reviewed. Minutes of the Feb 15th Selectmen's Work Session and Budget Hearing were reviewed and approved as written. The Selectmen signed the Equalization Study to be sent to NHDRA. An Intent to Cut Timber was signed.

Per request, Tom Dupere, representing Strafford Pallet was in attendance at the Selectmen's Meeting. The discussion with the Board members concerned the recent and ongoing cleanup of the property. The Selectmen commended Mr. Dupere for the progress made thus far, but had concern for 3 remaining trailers in the front that interfere with line of sight. They expressed their expectation that the area will not return to its former state, and that cleanup efforts will be ongoing so that the safety and appearance of the site will continue to improve.

The Selectmen spoke favorably about the new Town website created by Blaise Swanwick. They hope to be able to speak about it at Town Meeting and unveil it shortly after the meeting.

There being no further business to bring before the Board a motion was made, seconded, and voted to adjourn. The meeting adjourned at 6:27
