The Selectmen's Meeting was called to order at 5:32PM.

Appointments

6:00 - Planning Board Chairman Charlie Moreno

Mr. Moreno was in attendance at the invitation of the Board as a routine follow-up to maintain good communication between boards. Education and training was discussed to help members negotiate some of the more difficult situations that have recently presented themselves to the Planning Board. Mr. Moreno has found conferences helpful in the past. The Selectmen requested that he discuss education with his board members at an upcoming meeting. Some aspects of procedure were discussed with Mr. Moreno suggesting several ideas that he feels might be beneficial; he will discuss them with his members. The Selectmen also suggested additional alternates be sought.

6:15 - Steve & Gloria Reinfurt, Parker Mountain Road

Steve and Gloria Reinfurt were in attendance to follow up with Board members concerning recent Planning and Zoning Board meetings about the proposed wedding venue. The most recent Zoning Board decision granted permission to operate for a 6 months with some conditions attached. They were disappointed in the decision for several reasons, believing that too many concessions were made for the benefit of the applicant. They expressed concern that this decision will set a dangerous precedent, and, as in previous discussions, expressed concern for the health of the pond on the property. Enforcement of the conditions set forth by the ZBA was discussed. Mr. and Mrs. Reinfurt appreciated the volunteer nature of the boards and support the idea of education for board members and/or perhaps a Town attorney being present at the meetings to advise.

6:30 - Jack & Lynn LaGasse, Deer Lane.

Mr. and Mrs. LaGasse met with the Selectmen for an update on the progress of correspondence and measures being taken to repair the home at 12 Deer Lane. The owners have received correspondence from the Town attorney outlining the expectations for repair and associated deadline for completion. Mr. and Mrs. LaGasse were given a copy of the correspondence. One owner has reached out to Fire Chief Scott Whitehouse.

Continuing Business

The Selectmen reviewed policy for group use of the beach. By unanimous decision, the former policy was amended to grant permission to the beach manager, or lifeguard on duty in beach

manager's absence, to refuse permission to groups who are or have been a discipline problem or who are not properly chaperoned. The policy now reads:

Town policy on beach passes for camps/groups was adopted at the June 7, 2016 Selectmen's Meeting. Effective as of that date, new guidelines for groups wishing to use Bow Lake Beach were established. Ideally, a minimum of 24 hours notification is requested to insure adequate life guard coverage. The cost for groups of less than 7 children will be \$5.00 per child per day. The cost for groups of over 7 children, will be \$30 for the group per day (no charge for chaperones). The Beach Manager, or lifeguard on duty in his/her absence, has the authority to refuse admission if swimmers do not obey the rules or are insufficiently chaperoned. No seasonal passes will be issued for camps/groups. Cash or in-town checks only will be accepted.

Amended 6/4/19

Currently there are 4 lifeguards to staff the beach this summer, 3 full time and 1 part time. An additional one might be helpful. The beach will be staffed 7 days a week from June 16th through August 17th.

The Selectmen's Office has approved repairs to be made to the pad under Compactor 1 at the Recycling Center. Craig Hastings, acting Recycling Center Manager, reports there may be another issue with that compactor, though nothing official has been brought to the Selectmen's attention. The Selectmen will invite Pete La Chapelle from Waste Management to attend the meeting on June 18th.

The Selectmen discussed the progress of the clean up on a property on Second Crown Point Road. They believe it is time for the Town to take further action and will seek permission, from the property owner to gain access for the Fire Chief/Health Inspector to conduct an inventory of vehicles on the property. They are hopeful for the cooperation of the property owner, but will pursue other means if that is not the case, per RSA 595-B. Counsel from the Town attorney will be sought before action is taken.

New Business

The Selectmen reviewed and approved payment of bills and payroll. Board members read and approved minutes from the May 28, 2019 Selectmen's Meeting.

Judy Dupré discussed with Board members the possibility of active shooting training for all Town Office employees. They supported the idea. Mr. Young suggested he would be willing to conduct the training.

The Selectmen's Office will submit an article to the Community Calendar briefly discussing the beach, assessing matters, and the Recycling Center.

At future meetings, the Board will be addressing revisions in Town ordinances, adding penalties and references to pertinent RSAs. Some will need to be brought before voters at Town Meeting.

There being no further business to bring before the Board, it was moved by Mr. Scott and seconded by Ms. Sweet to adjourn the meeting. By unanimous vote, the meeting adjourned at 7:46PM.
