

Minutes of Selectmen's Work Session

4 February 2008

Members present: R. Stephen Leighton, Chairman, JoAnn Brown and Lynn Sweet.

Work session began at 8:00 A.M.

Board continued work on the budget. With regard to the Recycling Center, funding will be included for fencing and possible purchase of containers. Ben is working on the estimated costs. The reduction in volume and consequently the number of hauls have helped to reduce the cost of operations at the facility. It was agreed to reduce that budget line to \$233,700.

Warrant draft has been reviewed by DRA.

Working on the final draft of the budget form for DRA to review.

Estimated tax rate information will be provided also for the public hearing.

Board is working on final figures for building. Still waiting for the final estimate on the cost for the site work.

It was noted that representatives from the Energy Committee will be meeting with the Selectmen at 6:00 P.M. on February 5, 2008.

Correspondence was read.
