

Minutes of Selectmen's Meeting

23 February 2010

Members present: Lynn Sweet, Chairman, Stephanie Gray and R. Stephen Leighton.

Meeting was called to order at 6:00 P.M.

Bills and checks were reviewed for payment.

Correspondence was read.

There was discussion pertaining to a lot in the Barn Door Gap area, previously thought to be unbuildable due to wetlands and access. A septic design for this lot has recently been approved by the State. Although construction would have to comply with current zoning and setback requirements, it is an existing lot of record. Upon receiving notification of the septic design, the lot was tagged for an assessment review this coming April.

There was a short discussion pertaining to the February 26, 2010 meeting of SVRTA and some of the areas being explored to get better "group" rates/prices (i.e. insurance, vehicles, electric). It was noted that Northwood has now a member.

Election and Town Meeting set up schedule was discussed. Election (March 9th) set up was scheduled for Sunday, March 7th, and Town Meeting (March 13th) set up will be on Friday, March 12th. Set up for Town Meeting will require moving chairs from the Town Hall and Fire Department to the NH Army National Guard Training Facility, where this year's Town Meeting will be held.

After short discussion, the Board voted to appoint Mark Witcher to serve as a member of the Planning Board. He will be filling a term that expires in March.

A motion was made, seconded and voted to accept the minutes from the February 9, 2010 Budget Hearing/Selectmen's Meeting.

There being no further business before the Board, a motion was made, seconded and voted to adjourn. The meeting adjourned at 6:45 P.M.
