

Minutes of the Selectmen's Meeting August 16, 2016

Selectmen in attendance: Lynn Sweet, Chairman, Bryant Scott and Scott Young

In attendance: John Dupere, Eric Rowe

The Selectmen's Meeting commenced at 5:32PM.

The Board reviewed and authorized payroll and payment of bills. Minutes from August 2nd Selectmen's Meeting were reviewed and approved. Board members reviewed and signed a warrant for Yield Tax and approved Intent to Cut Timber as well as the monthly Town Clerk report.

Two new police officers, Evan Ortega and Greg Iannacci, will graduate from the Police Academy on Friday.

The beach officially "closed" on August 13th, but given the warm weather we have been having the Selectmen would like to see the lifeguards are available to work on the weekends through Labor Day. The Town will keep the portable toilets through Labor Day. Selectman Young will ask the police chief if the officers will unlock them each morning and lock them again in the evening.

Two matters of building maintenance were discussed. Both the geothermal system and the standby generator are in need of service, as a matter of routine maintenance and because of some problems that have arisen due to recent power failures.

The Selectmen and John Dupere discussed the progress he has made on cleaning up the area in front of his pallet operation and stressed the need for him to continue moving forward with that project, indicating that their request is in response to complaints they had received. They also discussed the proximity of his operation and parking to Route 126 as a safety concern of both the Selectmen and NHDOT.

Eric Rowe and the Selectmen continued their discussion about options for the maintenance of Evans Mountain Road. The Selectmen will try to attend the next Conservation Commission Committee meeting on August 29th to discuss some ideas with them.

Police Chief Mike Richard is planning to attend the August 30th Selectmen's Meeting for his 6 month review, but will let the Selectmen's Office know if there is a schedule conflict with that date.

There being no further business to be brought before the Board a motion was made, seconded, and voted to adjourn. The meeting adjourned at 6:25PM.
