**2002 Master Plan Review**

During the August 16, 2022 Planning Board Work Session, the Board suspended review of the results of Board member responses with respect to the 2002 Master Plan content completion, no progress, ongoing, or not relevant. Autumn Scott presented some of the remaining 2002 Master Plan content and responses, which the Board discussed at length. This review was essential in identifying prior Master Plan items for consideration in the Master Plan update.

There being no further business before the Board, Phil Auger made a motion to adjourn the Work Session, which was seconded by Tim Reed. The Board voted unanimously in favor, and the Work Session adjourned at 6:57PM.
