The Selectmen were very pleased at the news of a historical marker being placed where Snackity\* Meetinghouse, built in the early 1800s, once stood. In 1956, the Meetinghouse was disassembled and then reassembled on the campus of Concord Academy in Concord, Massachusetts. The structure now serves as the Academy's Chapel. There is no scheduled date as to when that the marker will be placed.

\*The spelling of the name of the Meetinghouse is still being discussed amongst local historians.

With no further business to discuss, a motion was made, seconded and voted on to adjourn. The meeting adjourned at 7:04PM.
