 For review and comment    Other Updated Plans  
 FOR BIDS DUE \_\_\_\_\_ 20 \_\_\_\_\_    PRINTS RETURNED AFTER LOAN TO US

**REMARKS:**

Hello Blair, Attached is the updated plan set. Minor changes have been made, including updating the wetland. The original delineation of the wetland was done in the winter. As part of our process, we returned back there this summer to confirm the delineation. Based on this, some minor revisions were made. The second change was updating the emergency overflow detail. If you have any questions, please contact us.
