Dear Strafford Planning Board:

As your file will reflect, I represent the Applicant Navigator Properties, LLC regarding the above-referenced site.

The purpose of this letter is to formally request a continuance of the pending application from the current hearing date of October 5, 2023 to the November hearing date, which we understand to be November 2, 2023. The reason for the continuance is to allow the engineering work to be continued and hopefully finalized. The Board may also accept this letter to confirm the Applicant consents to an extension of an additional 30 days to the FCC shot clock.

If you have any questions or comments, please let me know. Thank you for your attention to this matter.

Very truly yours,

Jonathan S. Springer, Esq.
