Town of Strafford Planning Board

12 Mountain View Dr

Strafford, NH 03884

Dear Planning Board Members:

This letter is to inform the town of Strafford that Eversource is requesting the approval to complete scheduled maintenance trimming on two scenic roads in Strafford, as well as some removals of dead trees within zone of Eversource utility wires. A list of these trees will be provided to the board members. This work is necessary to ensure the safe distribution of power and improve reliability of electric service for our customers.

According to Eversource records, Joalco Rd and Northwood Rd are scenic roads in the Town of Strafford. Please consider this letter to be a request from Eversource for a public hearing for the purpose of trimming, pursuant to RSA 231:158. This information will be presented to the board. Please inform this office of the date, time, and place of said meeting so that we may have a representative present.

All work will be performed by Northern Tree Service and will be in accordance with accepted arboriculture standards.

Eversource requires that our contractors contact each landowner where trees are to be trimmed prior to commencement of work on that property. Individual concerns will be addressed at this time.

If you have any questions or concerns, please feel free to contact me either by work cell: 603-831-9806, or by email at [cfranciosi@acrtinc.com](mailto:cfranciosi@acrtinc.com), or [crystal.franciosi@eversource.com](mailto:crystal.franciosi@eversource.com)

Thank you for your assistance.

Respectfully,

Crystal Franciosi  
Lead Utility Forester with ACRT  
Certified Utility Arborist contracted with Eversource Energy
