Dear Ms Elizabeth Evans, Strafford Planning Board

I hope this letter finds you well and thank you for your attention to my business.

I am operating a small, seasonal store that specializes in Ebike sales and service. I operate out of my garage and am a one-person enterprise. I am open April 1st and close November 30th.

I service 2-3 customers per week for sales and service. I am open by appointment 9 AM-6PM Wednesday-Sunday.

I get deliveries once a week.

I have off-street parking available for up to seven vehicles.

No proposed lighting changes. I have one 2-3ft. wooden sign on my garage, and one smaller metal sign located at my driveway entrance.

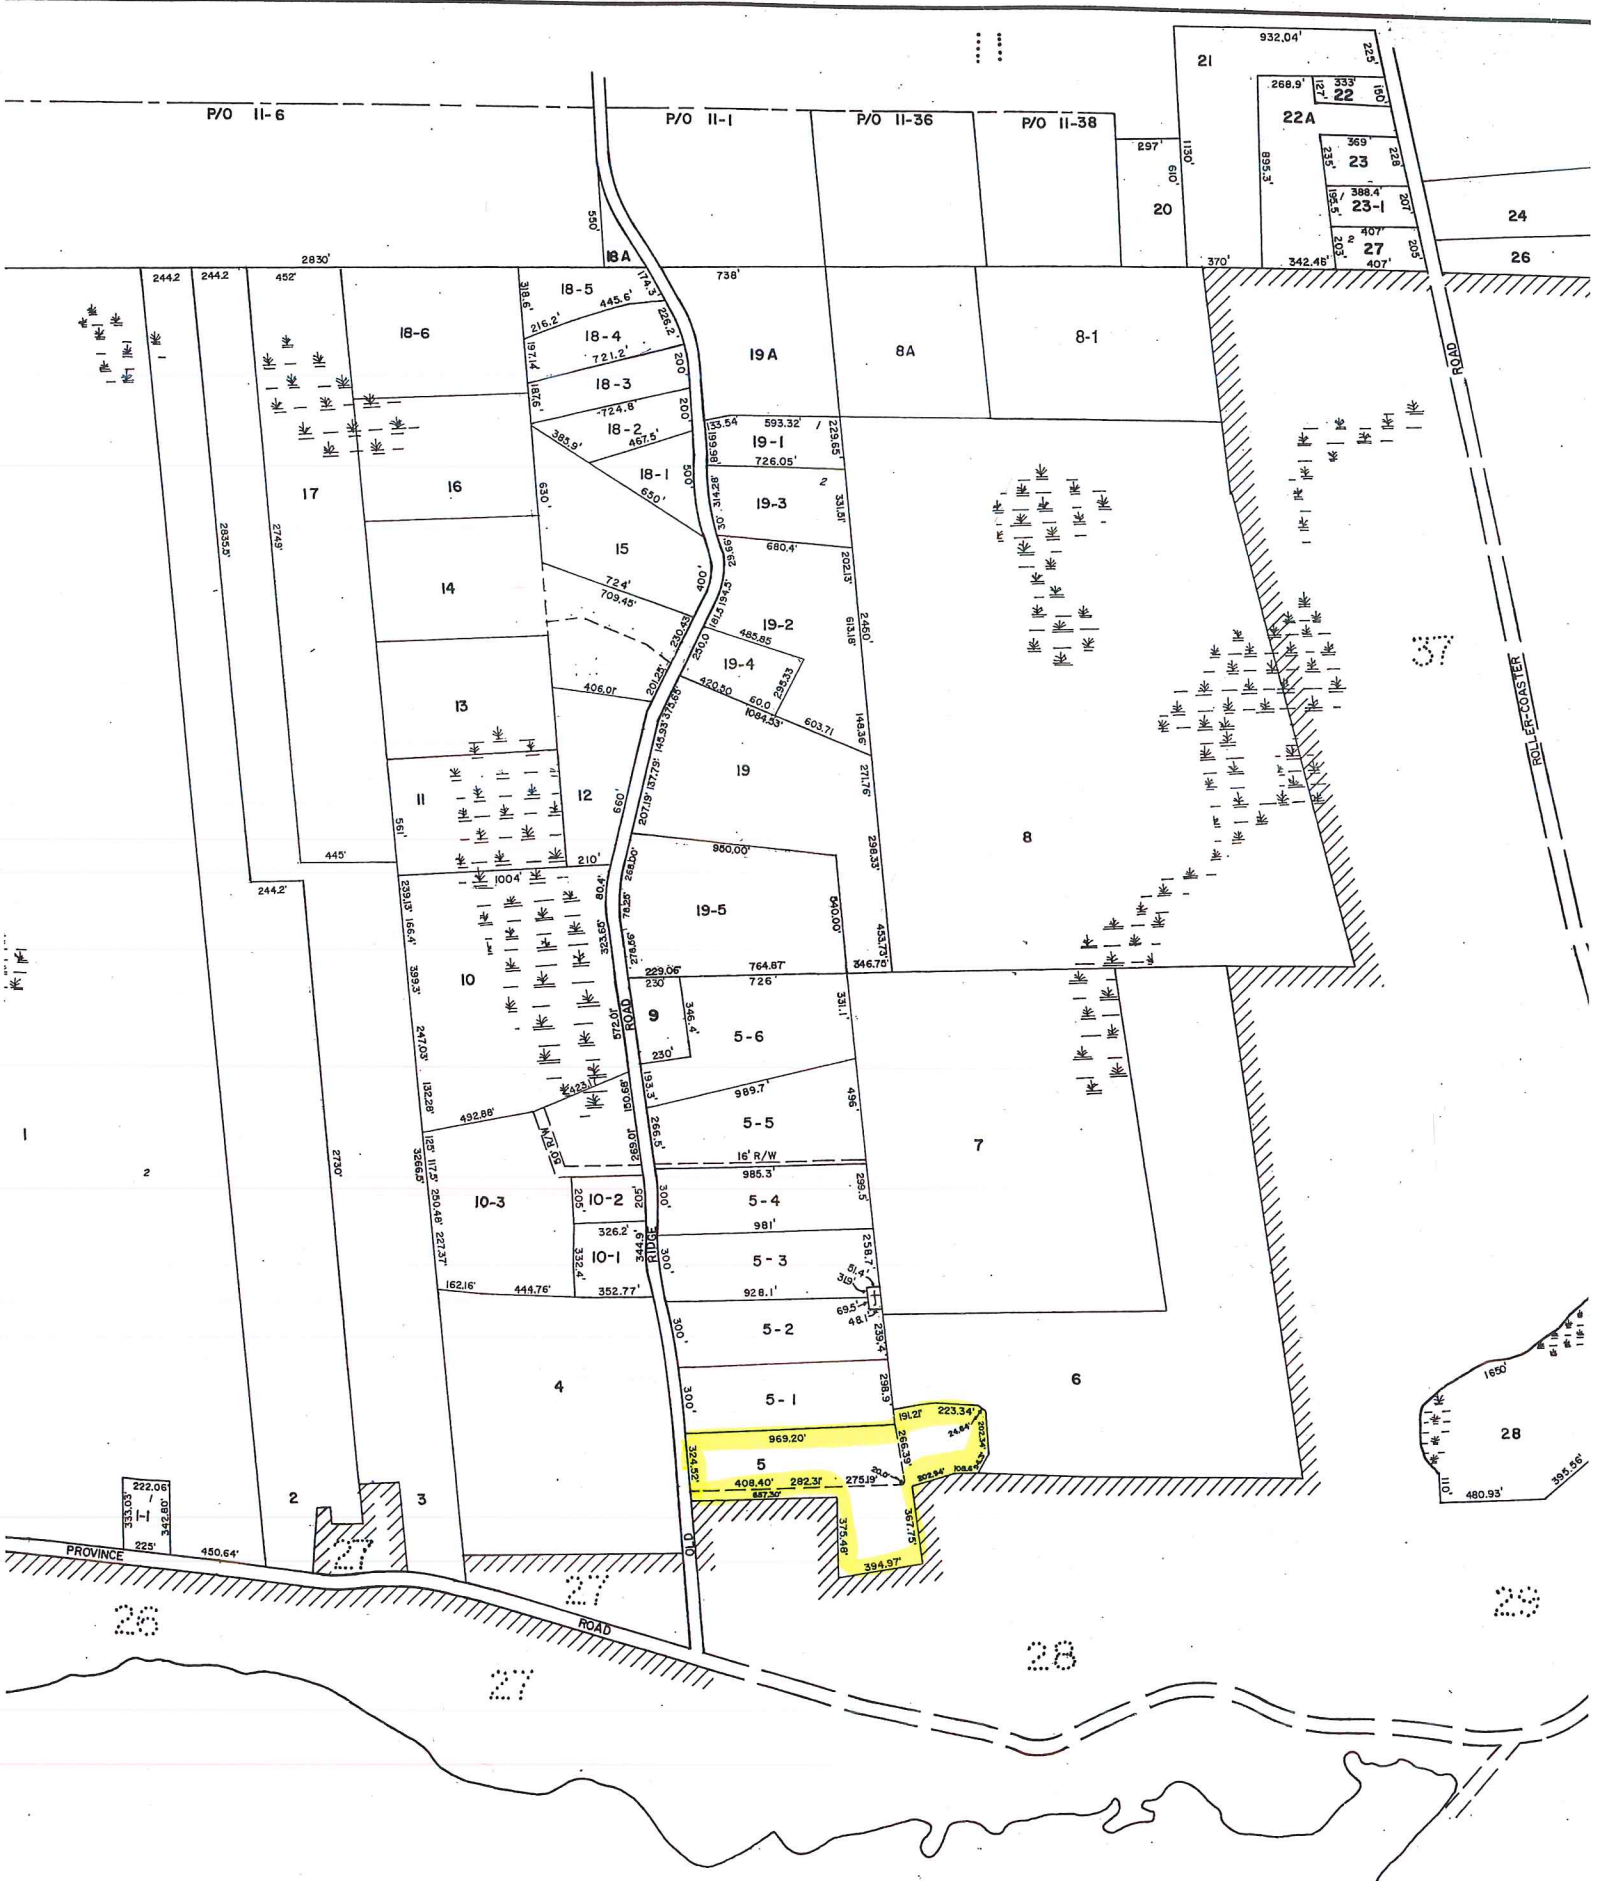

I have fire extinguisher located inside the garage. I have no waste disposal needs, and I do not provide food.

I am fully insured for building, liability and equipment.

Sincerely

Harold Searing
