

Green Committee Minutes

May 27, 2025

Attendees: Joe laird; Lynda and Rick Cecchetti; Hammond Brown; Em Friedrichs

1. Announcements

Open remarks and updates to new members

- Discussion on the Community Power “journey” in Strafford and current outcomes.
- Recycling Center – and work with New Hampshire Recycling Center- site visit.

2. New Business

a. Energy Production and Access to EV Charging

- i.* Kearsarge Company town solar farms – update is we do not have the infrastructure. Phase 3 province road and roller coaster meet all down route four.
- ii.* Madbury station update may positively impact our ability to have phase 3 for solar farms.
- iii.* EV charging stations – Bow Lake Grange (?) School has declined to install any.

b. Energy Saving Incentives for Strafford

- i.* Tax credit – Working on warrant article – but first going to planning board.
- ii.* Envelope Presentation – Nate in the fall – Cachetti’s are interested in presenting as well.

c. Guest Presentation from 350 New Hampshire (Lee, New Hampshire) – Em Freidrichs

- i.* Organization that will promote and support environmental / energy projects

3. Old Business

- a.* Green committee update has been sent to the Calendar with a brief survey to get access to interests and recruit more members.
