Members Present: Lynn Sweet, Chair; Brian Monahan; Stephen Leighton
In Attendance: Joann Brown

The meeting was called to order at 5:30PM. Payment of bills and payroll were reviewed and approved. The minutes of the June 24, 2025 Selectmen's Meeting were read and approved. An Intent to Cut was signed; notices of pay rate for Town employees were reviewed and signed. Miscellaneous correspondence was read.

After consulting the Road Agent and Emergency Services, the Board was in agreement that speed bumps on Water Street would not be prudent, suggesting that there be more of a police presence instead. The Board added that vehicles have the right of way; walkers need to migrate to the sides of the road and not walk 3 to 4 wide on an already narrow road.

The DOT notified the Selectmen's Office of a one-day road closure on 202A to repair a failed culvert. The work is tentatively scheduled for next week.

The Board of Selectmen, along with former Select Board Member, Joann Brown, recognized the Town Administrator, Ellen White, for her 45 years of service and loyalty to the Town. Ellen was presented with flowers and their appreciation for her unwavering dedication to the Town.

Maintenance items at the Town Hall were briefly discussed. The Board reviewed information provided from the Green Committee for net metering. Hours for the Selectmen's Office were updated for non-meeting Tuesdays to 9AM-5PM.

The Selectmen discussed an inquiry made from a neighboring town concerning Strafford's Transfer Station policies.

With no further business to discuss, a motion was made, seconded and voted on to adjourn. The meeting adjourned at 6:21PM.
