IRCR:

Lock replacement for gate installed.

Discussed possible Trex bench placement along Cowpath trail. Have not heard from the Library if this is a satisfactory placement. Area not cultivated.

The large downed White Pine tree needs some attention.

Annual Garlic Mustard Pull on May 14<sup>th</sup>- the team filled 3 garbage bags which is way less than the volume collected when the Pull began.

STF/Evans/Parker Mts.:

Planning more dead Ash tree takedowns on entry slope.

Other BUSINESS:

Natural World Report project review. Debbie made motion to accept report, Mimi seconded, all in favor. The report will be posted online on the town website. A big Thank You to Michael Ferber for his efforts.

Discussed a possible gift of land for a new conservation area including Town legal guidance and environmental testing. Waiting for formal second quote on the environmental tests. Michael made a motion to approve moving forward on the project and Kerry seconded. Unanimous in favor of taking these next steps.
