

Minutes of the Selectmen's Meeting September 8, 2026

Members Present: Lynn Sweet, Chair; Brian Monahan; R. Stephen Leighton

Others Present: Sonja Smith, Minutes Keeper

In Attendance: Police Chief Randy Young

The work session was called to order at 9:00 AM and suspended until all members were present.

Once all members were available, the meeting reconvened at 9:13 AM.

The Board discussed a request for a new road name. With the roads in that neighborhood having a themed category, the Board agreed the new road name should follow the same naming style. After discussion, Crabapple Way was recommended as the proposed name. The individual who submitted the request will be notified of the Board's decision through the 911 Coordinator.

The Board approved the replacement of a computer used in a police cruiser. It was agreed that the cost of the replacement would be paid from the Police Department's operating budget rather than from the Police Special Details Fund.

The Board reviewed additional correspondence related to an ongoing complaint concerning a resident in Town. Members stated that they have thoroughly reviewed all documentation submitted by the complainant. The Board further noted that the necessary investigations involving the relevant Town Departments have been completed. Based on the information gathered and the conclusions of those investigations, the Board determined that no further action is warranted and that the matter is considered closed at this time.

Miscellaneous correspondence was reviewed.

With no further business to discuss, a motion was made, seconded and voted on to adjourn. The meeting adjourned at 9:41AM.
